

MISSION STATEMENT

- To meet and exceed our clients' expectations by using the concepts embodied in our vision, to create synergy, leverage and added value.
- To develop a staff whose delivery is excellent, and who deliver on the Gelbuild promise – i.e. To strive to consistently produce work of exceptional quality, within the agreed time lines and budgets, using innovative and intelligent programs to manage the projects professionally
- To cement our reputation with the market of unquestionable ethics in all our dealings.

- Our objective is to do our work “right the first time”, by utilising a pro-active approach to each project.
- To ensure all our subcontractors ,suppliers and staff integrate into our efforts of working “right the first time”.
